

ProxmoxClass

```
classDiagram
    ProxmoxNode --|> ProxmoxClass
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled 'ProxmoxClass'. Below it is a gray rectangular box labeled 'ProxmoxNode'. A solid blue arrow points vertically from the top center of the 'ProxmoxNode' box to the bottom center of the 'ProxmoxClass' box, indicating that 'ProxmoxNode' inherits from 'ProxmoxClass'.
